Reference: Year-end Report (7/1/11 to 12/31/11)

Dear Ms. Broomhead:

Thank you for the correspondence regarding the above-mentioned information. I did rectify the mistakes you brought to light. I do, however, need your help in trying to download the report from the FEC website to the database at our Party Headquarters. Let me explain.

I have made the necessary changes you spoke of in your bullet point 3 -- these debt were paid in full as stated in the report we use as reference in this letter (Mid-Year Report 1/1/11 to 6/30/11). After working on this for quite sometime, it appears that the Mid Year Report was filed correctly, but was not uploaded to our database. Therefore, all of the reports thereafter have been incorrect. Mr. Corey Koellner, the past Treasurer, left that post after he filed the Mid Year Report. Since that time, the position has not been filled. The reports filed, have been filed using a report that was not adequately saved to the database. I need help in downloading the Mid Year Report to our database and it will automatically correct itself for the reports that follow.

I have made every effort to get this accomplished by myself. These were to no avail. I have begun as of today, attempting to replicate the report entry by entry, and am finding that very difficult to do as well.

So, as of today, we have fixed #3 on your letter. We also have identified and found out what needs to be done in order to accomplish #1 and #2, however we do not know how to download the report from the FEC website in order for all the reports to mesh.

This appears to be the only solution to this issue, because the summary and detailed summary pages are also incorrect and can be easily corrected by downloading the report.

I will call you again this week to attempt to get this accomplished. Otherwise, I would entertain any other options available for sorting this out.

Sincerely,

Nathan M. Haney, Treasurer o/b/o Shellie May, Chairwoman.
